RE : CMA CGM PUGET 0IH7DS OMIT XMN
(UPDATED 08.11.2021)

With regard to the above mentioned, we wish to inform you that XMN bookings on CMA CGM PUGET 0IH7DS will omit XMN port as per vessel operator latest advise.

--Cargo Arrangement for XMN omit--

Considering we don't have space on CMA CGM PUGET v.0IH7LS/0IH7MN and ROB issue, CNC is unable to accept SHA/XMN inbound on CMA CGM PUGET 0IH7EN from PGU.

For the ROB 26teus of Reefer containers from PPW into XMN will be discharged at 0IH7EN PGU and re-connect to AS CASPRIA 8N into XMN. It will be under CNC's account and slot.

As to the cargos ex PKG to SHA, it will be discharged SHA directly.

Please be guided accordingly.

Please accept our sincere apologize for any inconvenience caused. Your kind understanding on above matter is greatly appreciated and we ensure to serve your honourable company even better in the next shipment.

Yours sincerely,

Customer Service Department
