### **Re : Manifest Submission via uCustoms & NOC request**

---

Reference to above mentioned, T.S. Container Lines will follow new Customs rule in respect of submission Manifest and BL through uCustoms system.

This will comply for Export, Import & Transhipment.

Referred to JKDM/Customs' circular dated 23<sup>th</sup> December 2019 which emphasize that all shipping agent is required to send all shipping information via uCustoms system smoothly.

However, we still running to send manifest and bl through SMK.

This is to avoid any hiccup or unreadiness of user until further notice.
